## REF

A solo by vAL aka Corey Scott Gilbert for NEW FEARS Gallery  
in the rose garden of Humboldthain

we're up zer0 | none  
+ the ball is dribbling home with no one.  
taking countless swing after swing  
running at the wind, uneasy  
...what are we playing at?  
what is there left to gain,  
when life = game?  
waving bodies multiplying,  
match points + mates checked  
what's the score when we're,  
sliding into nothing but net?  
....what are we playing at?  
flags down.  
hands bound.  
we need a whistle.  
call it ref.
